President's Corner

August, 2016

Hello fellow Archers,

How are you doing, folks? Well the turnout for our Rendezvous was a pretty low, probably due to the weather we were experiencing. I would still like to thank everyone that sweat and bled to make the event great—setting animals, working the kitchen, registration and everything else—for those that decided to come out. If you see these selfless folks out and about, give them a big 'thanks' for all they did—don't wait too long, most of them are getting quite old!

Watch the heat, stay hydrated and as always, shoot straight!

- Rick

I went to a meeting with JOAD recently; the details for the Sept 10th shoot are still being worked out. JOAD has bought parts and have repaired and built some new target stands. They also will be repairing some of the round targets. THANK YOU!

I would like to know who has the keys to the club machines. Don't need them back or anything, just trying to get accountability on them. So if you have them, let me know so that we can track it better for the future.

We have started the bridge on the orange range. We should also be seeing some new gravel on the handicap area soon, along with a smoother road in the pines.

Tom Mally robin-hooded Randy Beelner's arrow! It has taken many years to complete this task, congrats Tom! Your turn Randy...

I would like to thank Charlotte and Dave Mason for all of the great pies that they have donated to our shoots. Charlotte does the baking, Dave does what he can.

Thank you Marv for donating 3 walk-behind mowers to the club!

We are having a potluck at the Art Foster Shoot; bring whatever meat and dishes that you would like. 6pm on Saturday night. Club is providing drinks. Art was a great man with a big heart; he loved to eat and shoot his stick. Those of us that knew him, we miss him big-time! Let's have a great day in his memory!

Joe Schurben is working his tail off to keep things running, help him out by taking care of our machines while using them.

Rod White is hosting a SHOOTING CLASS... 19-21 August, at the Club. Not affiliated with the club, but if interested call 319-540-7052, or email: 7erlandson7@gmail.com

Check out the Arrowhound, they did a write-up about our club.

REQUEST...

If anyone has old blue jean material or cotton clothes that they are tossing out, we could use them for stuffing in the bags that we place behind targets down on the flats.

Also, as a reminder, **please lock the main gate** when you enter and depart the grounds. This will help deter non-members from inadvertently entering our club and **possibly causing damage** or **attempting to hunt and/or discharge firearms**.
