Happy New Year fellow Archers!

Well the holidays are over and it's time to get down to some serious indoor archery! We have Mid-Western and State coming up, along with our own shoots and leagues. Tim and crew are going to be repairing targets one at a time, so please bear with them. Tim will be moving the poles down to the bottom, when we get snow; so that they will slide better we will be using them on bridges.

We will need help with setting targets throughout the winter on the indoor range during shoots; keep that in mind when you see there is a shoot coming up. If you are interested in shooting a league full time try to show up the first night so that the folks running the league know what to expect. Remember, the person running the league will decide if the weather is too bad to shoot on a given night. Be sure to have their phone number accessible to contact them before heading out in any bad weather.

Also, if you see the trash cans overflowing, please empty them out.

We are in the process of updating the First Aid kit in the cabinet, if you use it and notice something getting low, let me know. Everyone should know where the first aid kit, fire extinguishers and exits are for everyone's safety in the event of an emergency.

Also, we have updated the club history for 2016. Stay safe and shoot straight!

- Rick

- Winter Leagues are starting soon; sign-up sheets will be posted in the club house. Cost is \$30: kid members/\$35: kid non-mbrs/\$60: adult mbrs/\$70: adult non-mbrs. Leagues run 11 weeks, 1st week is practice/prep

Bowhunter: Jan 10 @ 7pm

Target: Jan 12 @ 7pm

- Kids Shoots: Alburnett on Mondays 5-8pm and Wednesdays 5-7pm
- JOAD Small Group Tuesdays 5-6:45 pm and Large Group Thursdays 5-6:40pm
- We will need help with the indoor State and Midwestern in Jan/Feb.
- I am sure some have noticed that the flag pole situation at the club, the rope is broke and it is barely holding on. In the Spring we will be fixing the pole and installing a new pulley system and rope. At that time both flags will be put back up.
- If anyone borrowed the trickle charger from the store room, please bring it back.
- **DUES ARE DUE this month. There will be a new form for all to fill out so we can update club members' info (phone/email/etc); will also issue a new key.**

REQUEST...

If anyone has old blue jean material or cotton clothes that they are tossing out, we could use them for stuffing in the bags that we place behind targets down on the flats.

Also, as a reminder, **please lock the main gate** when you enter and depart the grounds. This will help deter non-members from inadvertently entering our club and **possibly causing damage or attempting to hunt and/or discharge firearms.**
