

President's Corner

January 2018

Greetings Archers!

Well winter is finally here. For you newer members that means that the lock on the gate will freeze up sometimes. If you have a lighter, heat up your key and that usually works. For those without four wheel drive the road can sometimes be tricky. We do plow it out when it snows so don't let that hold you back from coming out.

We lost one of our long-time members when Ivan Byrd passed away.

Please remember to pay for any candy bars and cookies that you take from the kitchen. We are having some issues with people not paying.

We re-worked and made some new outdoor shooting stakes and numbers. I would like to thank Leonard Verdeck, Paul June, Cal Struchen, Chuck Zvacek and Don Parker for their help.

We installed a new smoke alarm in the main storage room and with I wanted to remind the NASP and JOAD kids that if the alarms go off, go out the nearest exit. It is a good idea to remind yourself where the various exits are the building.

We will be working on targets on Saturday, January 13th starting around 9 am. We will need a lot of help. Bring some basic hand tools.

Remember winter leagues are starting soon.

Stay safe and shoot straight! - Rick

We have state shoots coming up on February 3rd and 4th and March 2nd, 3rd and 4th. We will be needing help on the range and in the kitchen. We want to put our best foot forward. Thanks for considering helping.

Please remember after you are done using the clubhouse to make sure the heat is turned down to 55 degrees and all the lights are shut off.

FLOOR ADS

Advertise your business in a long lasting floor ad in our club's indoor shooting range. Thousands of archers will see your ad every year. Each ad sells for \$1,500 and is good for the lifetime of the floor. Contact a board member or club officer today!

Waltonian Archers member Seth McWherter recently took second place overall in the Junior Male recurve division at the US World Team Trials in Newberry, FL. Seth will be representing the US at the World Indoor Championships in February at Yankton, South Dakota. It is a five day tournament with a placement round, head to head competition and a team round. To prepare for the upcoming tournament he will continue to practice daily and shoot in some tournaments closer to home. He would like to thank all his JOAD coaches for their help over the years and the Waltonians for having such great facilities for their members to practice in. If you would like to help Seth with his travel expenses please put a donation in an envelope, mark what it is for and drop in the money slot. Don will make sure it gets to Seth. The board give its approval for this.
