

### President's Corner

Hello Fellow Archers,

We have somethings to get done this year with the roads and courses, and as usual the rest of the club to keep in order, we could use help with all of this. If anyone has questions, or ideas for the officers and board let us know give us a call or email us. The board meetings are at the club on the 1<sup>st</sup> Wednesday of the month at 7:00 pm.

I would like to see more club members take advantage of what the club has to offer, good hunting and shooting, be safe.

Rick

We need to cut our utilities down. would you folks help us out by only using the lights you need, and turn the thermostat to 55 when you leave the facility. when entering the club grounds you need to lock the gate behind you-unless there is a club function, so that the people "the public" does not think it is part of the public land it has happened before.
