## President's Corner

November, 2016

Hello fellow Archers,

How are you all doing so far this fall? I hope everyone's hunting is going well! I do have some concerns that some members may only join for the sole purpose of using our land for hunting. Granted, hunting is allowed on the grounds for members and immediate family and is an added benefit to being a member; in the past at least those that primarily used our grounds for hunting pretended to care or put effort in to supporting the club or other members. This year, though, I have noticed that some members, on their way to hunting, just drive by those doing work without as much as a wave or nod. This is a little disturbing to me and others, as those that give their time and effort to keeping our club in great condition are not just 'the hired help'.

We will be getting more cardboard stocked up at the indoor range, if you see the cardboard on the backstops getting tore up, please take the time to swap it out.

Just a reminder, no gun hunting or shooting on the club grounds.

We will be voting on shoot fees and the new schedule at this month's club meeting.

Again, I'd like to welcome all new members and remind them that if they need anything at all, don't be shy!

Stay safe and shoot straight!

- Rick

### REQUEST...

If anyone has old blue jean material or cotton clothes that they are tossing out, we could use them for stuffing in the bags that we place behind targets down on the flats.

Also, as a reminder, **please lock the main gate** when you enter and depart the grounds. This will help deter non-members from inadvertently entering our club and **possibly causing damage or attempting to hunt and/or discharge firearms.**
