Presidents Note

Hey Waltonians,

It's been a very busy year for me personally and I'd like to thank everyone who has donated their time to help keep the club going!

We have a Fall Indoor League starting Tuesday Sept 7th. We need all members to consider shooting this league. It's a lot of fun and we need a little extra money to get us through until the Winter Indoor Leagues. Money is really tight right now to say the least. We have the Waltonian Weekend coming up at the end of September. The Clout, the Awards Banquet/ Game Feed, the night shoot and the Deer Slayer are all in this weekend. A good time and a great way to have some fun and again help support the club.

Thanks to Doug Hess and Mike Tangeman for taking care of the mowing!!!! We have more help for you two as well as some equipment repairs in the works. We'll talk soon.

Thanks to Dave Frank! He donated his time and paid for the pavilion renovation! If you haven't seen it, it's AWESOME!!!! Cal Struchen and I'm sure a few others, built a retaining wall behind the pavilion as well. Looks great Cal!

The September membership meeting is this month on the 15th. We are taking nominations for board members at this meeting and voting by October 5th by mail. We have an opening for Secretary as Mike Cooper is stepping down to concentrate on working on the ranges at the club. Mike did a great job and will be missed. Thanks Mike. I'll have duties in this issue for those interested. Scott Mason will be stepping down as well. Scott has been a board member for a long time and he's been a member his whole life. He'll be missed as well. Thanks for all you've done Scott!

Any member can run for the board and we encourage as many people, new member or old to consider helping us move this club forward.

Have Fun,
Al

WANTED: Board Members

Don't be afraid. This is not a hard job to do.

I mentioned two board members that have decided to step down next year. But that doesn't mean that there are only 2 openings. All board positions are up for election and members can run for any position they choose from President to the board. Don't worry about hurting anyone's feelings, I encourage involvement and it's a great experience to help the club move forward.

The Secretary of the club takes minutes of the board and membership meeting. Then the secretary keeps those records on file for reference and reads those minutes to the membership at the membership meeting. It's a very important role, but not one that takes a lot of time or effort.

It doesn't matter if you're a new member or a long time member; we encourage all members to run for the board if they wish.

It's also a great way to really get knowledge of the club in a hurry. You can contact Carl Mally, Lynn Carter or Scott Mason if you'd like to be nominated. Their numbers are on the front page of this newsletter.

Waltonian Weekend

It's our 75th year anniversary and we're celebrating this September 25th and 26th. We have a lot going on at the club. First I'd like to mention that we will be doing training on how to setup a 3D shoot. This is the perfect time to come out and learn how a shoot is set up. It's pretty simple and can be fun. Carl Mally is the shoot chairman for this shoot and we'll be starting set up and the training Wed the 22nd after work.

The Big Weekend begins with the Deer Slayer 3D shoot sat and sun beginning each day at 7am. The Clout begins at 9 am. You shoot 180 yards at a stake in the ground and arrows are scored like there is a huge target on the ground. It's a lot of fun! Next is the Awards Banquet and Game Feed. That usually begins at 6pm. Everyone is encouraged to bring your favorite dish. We usually have chili for those who don't care for wild game. Then after the awards banquet is the night shoot. It's a fun time. You get one arrow to take with you. You lose it, you're done. A sight with lighted pins helps. You can carry a flashlight as well. Come out and celebrate this year's successes and meet some other members!
